*It will take place in the
Queens neighborhoods
of Glendale and
Middle Village*

Boy Scout/Cub Scout units, Girl Scout/Brownie units, secular and religious youth organizations are invited to participate and wear their uniforms.

There will be patches for all who attend. Make your reservations and join us in making it a rewarding experience for your group.

We will be walking through the communities of Glendale and Middle Village in Queens, visiting various Houses of Worship representing different denominations and Faiths – at each there will be a presentation of one of the Commandments. The Hike will begin with registration at 8 a.m.

As an interfaith event, there will not be any religious services offered.

The cost is \$6 per person with a delicious “hot dog” lunch served. Kosher and Halal religious requirements are honored. A vegetarian lunch will be available for those who request it by November 10.

Let's Get Together!

*It will be a great day of fun, fellowship, and learning for all.
You'll be surprised how much we all have in common!*

Deadline for Registration is November 1. Please register early!

Please complete the attached pre-registration form, including all names, addresses and telephone numbers; return with payment to the QFC by November 1.
